

CEDARWOOD LEARNING CENTRE

Fee Structure - 2027

Cedarwood Learning Centre is pleased to present the proposed fee structure for the 2027 academic year.

From 2027, Cedarwood will align all applicable grades with the Impaq CAPS-aligned curriculum pathway. The curriculum remains CAPS-aligned, while learners continue receiving teacher-led instruction, classroom support, academic guidance and day-to-day learner oversight from Cedarwood.

The fee structure below separates the Cedarwood Learning Centre fee from the Impaq fee. Parents pay Cedarwood directly for the Learning Centre fee, while Impaq is paid directly by the parent according to the Impaq payment option selected.

Important payment distinction: Cedarwood's annual Learning Centre fee is split into **12 monthly payments**. Impaq's payment options are separate. Where a monthly Impaq option is selected, Impaq payments run according to Impaq's payment structure and end in October.

Cedarwood Learning Centre Fees

Grades	Cedarwood Registration/Admin Fee	Monthly Cedarwood Fee
Grade R	R500	R3,450
1-3	R500	R3,600
4-6	R500	R3,700
7-9	R500	R3,900
10-11	R500	R4,750
12	R500	R4,950

The R500 Cedarwood registration/admin fee assists with basic registration administration, stationery and internal setup. Cedarwood has reduced this fee for 2027 because parents will also be responsible for the required Impaq deposit.

Parents who prefer to pay the Cedarwood annual Learning Centre fee in 4 payments or 6 payments may contact Cedarwood directly for an individual discounted quote.

Impaq Payment Options

Parents select ONE Impaq payment option only. The annual upfront payment, the 40% deposit option and the 25% debit order option are alternatives. They must not be added together.

Option A is the total annual Impaq fee paid upfront. **Option B** combines a 40% deposit with monthly instalments.

Option C combines a 25% deposit with monthly debit orders.
